SECURED ORDERS

Orders are considered secured if a 25% deposit is received at the time the order is placed. Secured orders will receive priority allocation from our available inventory. Secured orders will be held for 4 weeks after your target ship date, after which plant material will be made available to other customers on a first-come, first-served basis and the deposit will be forefited.

UNSECURED ORDERS

Orders not secured by a deposit will receive secondary allocation from our inventory. Because our crops are in peak condition for a relatively narrow window of time, we reserve the right to allocate crops to customers on a first-come, first-served basis at the time the crop is ready to ship.

VOLUME DISCOUNTS

$2,500 - $4,999 (2%), $5,000 - $7,499 (3%), $7,500 - $9,999 (4%) $10,000+ (5%)

Discounts are applied on a per-order basis and are applied at the time of shipping. Changes in order quantity may change the discount rate applied. Volume discounts only apply to finished material and not propagation material.

CONTRACT PROPAGATION & GROWING

25-50% deposit required depending on project details
